

Have you thought
about leaving a legacy
for generations to hear?

“I have listened to 2RPH since it began.
I could not do without it. It’s my daily friend.”

Lend us your ears, and we'll read you the world

Your gift will make a world of difference

Over 30 years ago, a small group of dedicated volunteers launched Sydney's first radio reading service in a make-shift studio in North Sydney. Today that service, Radio 2RPH, plays an important role in the lives of over 100,000 people each week.

Today 2RPH broadcasts across Sydney and Newcastle from our studios in Glebe, Sydney. We read from daily and weekly newspapers and local and international magazines, to people who cannot independently read, lack access to published material and others whose lifestyle limits the time available for reading.

Covering a wide audience, 2RPH aims to enable, educate, inform, entertain and keep people up to date with local and world-wide news.

We also produce and record programs for distribution across Australia and New Zealand. Every day of the year we call on our 200 volunteers to announce and carry out technical and administrative roles.

Nonetheless keeping a community radio station on air even with our volunteer workforce and a small professional staff is a challenging task.

"I get all my information and news from 2RPH. It is so diverse, informative and it helps me know what is going on in the world."

Where you fit in

It's such a simple thing to do – make a donation or include a bequest in your will with 2RPH as a beneficiary.

By giving or bequeathing a financial gift to our station your memory will live on and each day will be brighter and more purposeful for our listeners and volunteers:

- Listeners will remain less isolated, and more informed and independent as they engage, often on a daily basis
- People who are blind, who have low vision, have a disability or need our service for any reason will continue to be empowered to participate in the community through receiving relevant targeted information
- Volunteers remain engaged in meaningful skilled activities and a vital part of the community well into their 80s

No matter where you are in life, choosing to leave a bequest to a charity like 2RPH can be one of the most fulfilling decisions of your life.

For information visit our website or call 2RPH on (02) 9518 8811 and speak to the General Manager.
